This spectacular, newly completed apartment is now available for sale exclusively in the prestigious Palma Real Suites residential complex, located in the sought-after and peaceful area of Palm-Mar, Arona.

Located on the second floor of a three-story building with an elevator, this apartment stands out for its corner location, which provides greater privacy, cross-ventilation, and excellent natural light throughout the day.

With approximately 100 sqm of impeccably laid-out interior space, the apartment has been designed to the highest standards of finishes and comfort:

- 2 spacious exterior-facing bedrooms, both with their own en suite bathrooms and fully fitted, floor-to-ceiling built-in closets.
- A third guest bathroom, complete with a shower, for added convenience and ideal for guests.
- A very spacious and open-concept living room that flows seamlessly into a modern open kitchen with a breakfast bar, fully equipped with state-of-the-art Bosch appliances.
- Optimal climate control: Independent air conditioning systems in each bedroom and in the main living room.

Outside, the magnificent, east-facing terrace of nearly 20 sqm will become your favorite spot. It's the perfect space to enjoy the pleasant morning sun, host outdoor dinners, or relax in complete tranquility.

Palma Real Suites is a unique luxury complex that stands out for its cutting-edge design, security, and spectacular common areas. The complex features beautiful, well-maintained landscaped areas and three infinity pools: an impressive 25 m pool ideal for swimming, another community pool, and a children's pool (the latter 2 are heated).

The unit is sold unfurnished. Some photographs show a possible furnishing scheme for illustrative purposes.

The price also includes a spacious parking space and a large storage unit, both located in the building's underground parking garage.
