Location & surrounding area:

Paguera is situated in the Calvià coast , between Costa de la Calma and Camp de Mar, where there is three beaches: La Romana, Torà and Palmira. It can be considered as a mixed enclave, between residential and touristic. With the recent renovation of the old Paguera road, it now has a pleasant boulevard which connects the marine walkways of Palmira and Torà to the interior streets. On the outskirts is Cala Fornells, a beautiful and quiet redoubt in mediterranean village style.
