Location & surrounding area:

The coastal region of Cala Mayor is one of Mallorca's oldest holiday areas and adjoins the harbour of Porto Pi. The district is very central, and situated only a few minutes by car from the centre of Palma. Its close proximity to Palma makes the area interesting as a holiday destination all year round. Apart from that Cala Mayor has easy access to the exclusive south-west region of the island with Puerta Portals and Port Adriano, Palma city and the mountains of Genua.

Cala Mayor's absolute highlight, however, is its beach of the same name. Due to its protected location the water is clear and turquoise-blue, and the beach has the finest white sand. This wonderful beach has been awarded the blue flag and is very popular with families.

Cala Mayor is also a lively place with many restaurants and shops, and is well-known for its night life.

Additionally diverse historic attractions such as the old fortress Castillo Bellver, from where early birds can enjoy the wonderful sunrise over the bay of Palma, are very close by. Also in the area there are very good international schools.

In part due to continual renovation work, in recent years the district has developed into a popular area for investment.
