Details:

This wonderful duplex-apartment is situated in a very well-maintained, Mallorcan-style residential community of 23 living units in Ses Salines. The complex, built in 2022, is located close to the centre of the village and only a few minutes away from diverse beautiful bays.

On the ground floor of the property are 2 bedrooms and 2 bathrooms, one of which is en suite, the main bedroom with direct access to a private garden.

Housed on the upper level is the spacious living/dining area with a modern fitted kitchen. Large sliding glass doors provide ample natural light, and lead out onto a covered terrace with inviting seating area. From here beautiful views of the surrounding green countryside can be enjoyed.

From this terrace a staircase leads up to the absolute highlight of the apartment, the large roof terrace, which is equipped with a high-quality outdoor kitchen and a chill-out zone. A pergola provides ample shade on warm summer days, and from here enchanting panoramic views of the sea as far as Cabrera can be enjoyed. A real dream, and the perfect place for convivial get-togethers with family and friends.

In the exterior area is the communal pool and a sun terrace, with local plants adding to the Mediterranean flair.

Further features of this lovely apartment include air conditioning and an outdoor parking space with a storage room.

Location & surrounding area:

Ses Salines is one of the nicest and oldest villages at the southeast coast. The image of the village is characterised by cosy bars and restaurants, where Majorcans and tourists have their “café con leche” while enjoying the sun.

It is a typical Majorcan village that was named after its saline from the era of the Romans. Salt is reaped till this day. The “talaiots”, remains of a prehistoric settlement are also historically very interesting.

Many small bays as Cala Llobards or the dreamlike natural beach of Es Trenc is only a short drive away. You can also discover the beautiful flat landscape by bicycle.
