Details:

This unfurnished, first-floor apartment is situated in a small residential community consisting of only 10 living units, and shares an entrance and staircase with only one other apartment.

It consists of a living/dining area, a kitchen, 3 double bedrooms and 2 bathrooms, one of which is en suite.

The bathrooms are not yet completed and the new owner is still able to nominate his choice of sanitary equipment. In the bedrooms pre-equipment for the fitting of air conditioning is installed.

The apartment is offered for sale unfurnished, but for a better visualisation some photos are shown with furniture.

The main stairs lead up to a 58 sqm roof terrace which belongs to the apartment, and as this is positioned on the side of the building furthest from the street it offers absolute tranquillity and beautiful views.
