Location & surrounding area:

Due to its elevated location, bordering with the wonderful Parc de Bellver with the famous Bellver castle, the beautiful area of Bonanova provides wonderful views over the whole of the bay of Palma, the open sea and the mountains.

This villa district, although centrally located and with superb connections to the centre of Palma by car or bus, is one of the quietest and most secure districts of Palma. It offers, therefore, the possibility to live in a peaceful area but still be able to easily enjoy all the facilities of the town with its restaurants, bars, cafes and shops.

In addition this neighbourhood itself offers gastronomy, supermarkets, sports locations and clinics, all close by. The shopping centre of Porto Pi, for example, is only a few minutes away by car and offers a huge choice of shops and restaurants. Lovely beaches such as that in Cala Major are also only a few minutes away by car. Bonanova, furthermore, is also ideal for children with the 'Queen's College' which enjoys an excellent reputation internationally.
