Details:

Exclusive one bedroom apartment for sale in one of the most luxurious residential complexes in the south of Tenerife: Jardines de los Menceyes, completed in 2022. The apartment is in perfect condition, practically like new, and is located on the second floor of the building.

The apartment has more than 90 square meters built, of which 67 sqm are interior and 24 sqm correspond to a large terrace facing southeast overlooking one of the swimming pools of the complex and the garden. The distribution is modern and functional: living-dining room with fully equipped open kitchen, a laundry room, a guest toilet with shower, and a spacious bedroom with full bathroom en suite. Both the living room and the bedroom have direct access to the terrace, which provides a great luminosity and a pleasant connection to the outside.

It is sold fully furnished and equipped, ready to move in. It also includes a parking space of 14 sqm and a storage room of 6.5 sqm both located in the easily accessible subway garage, also connected by elevator.

The apartment also has a Vacation Home (VV) license in force and is currently rented with excellent results, which makes it an ideal option both as a habitual residence for a single person or a couple, or as a safe and profitable investment in one of the most sought after areas in the south of the island.

The Jardines de los Menceyes complex stands out for its impeccable maintenance, contemporary architecture and extensive green areas. Surrounded by lush and well-kept gardens, it offers a natural and relaxed environment, ideal for those seeking comfort and quality of life. Among its exclusive facilities for residents are 2 outdoor swimming pools, one of which is heated, and a modern, fully equipped gymnasium. All this in a private, secure and high standard environment.
