Details:

We present exclusively for sale this house that enjoys abundant natural light, located on the third floor of a quiet and well maintained complex, just a few steps from the sea, in the heart of Playa Paraiso.

The apartment has been recently completely refurbished with a contemporary design and features a modern kitchen equipped with new appliances (including dishwasher). Only a few finishing touches remain to be installed - such as the shower faucet or the sink cabinet - which will allow the future owner to customize the final details exactly to their liking. And if desired, the seller is willing to install the chosen elements, so that you can start your new home with everything finished to measure.

The layout is comfortable and functional, with 2 bedrooms equipped with large fitted closets, a bathroom with walk-in shower, and a bright living room with integrated kitchen that opens onto a nice corner terrace facing the sea, perfect for relaxing and enjoying the exceptional climate of the area.

The Sol Paraiso complex has elevators and a large swimming pool with solarium, sun loungers and excellent views. It is very well located, within walking distance to all amenities, including bars, restaurants, the beach, the promenade and the Rosa Center shopping center.

For convenience, there is also the possibility of acquiring a parking space in the same building.

Do not hesitate to contact us for more information or to arrange a visit and discover this property with great potential, both as a holiday home and as a permanent residence.
