Details:

In the exclusive and sought after Palm-Mar, within the well-kept Primavera complex, we present this elegant and completely refurbished duplex penthouse, a property that stands out for its contemporary design, brightness and excellent distribution.

The property, recently renovated (2025/2026), is distributed over 2 floors and consists of 3 bedrooms and 2 bathrooms. On the main floor there is a modern bathroom with walk-in shower, 2 large double bedrooms with fitted closets and a bright living-dining room with open plan kitchen, brand new and equipped with brand new appliances (fridge, oven, microwave and dishwasher). From this room there is access to a cozy balcony with pleasant views to the swimming pool of the complex.

The upper floor houses a third bedroom with fitted closets, a second brand new bathroom and a magnificent private terrace of more than 22 sqm, ideal to enjoy the sun and the privileged climate of the south of Tenerife throughout the year.

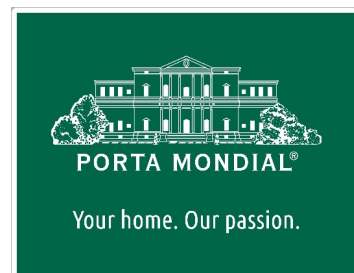

The property includes a large parking space and a storage room, located in the subway parking with elevator access. The complex also has a heated communal swimming pool.

It is sold unfurnished (the furniture shown in the photographs are merely decorative for a better visualization of the space), although there is the possibility of negotiating its inclusion in the price.

An excellent opportunity both as a permanent residence and as an investment in one of the most sought after areas in the south of the island.
