Details:

Immediately by the sea, walk to the beach or large saltwater swimming pools, and along the seaside stroll: At the beautiful north side of Tenerife only a few points allow this all. One of them is Mesa del Mar. There is on the waterfront this great apartment, created by the merger of two smaller apartments. Of the two balconies, the sea view stretches over the promenade, along the coast and far over the Atlantic Ocean.

Very large center of this approximately 115 m² large dwelling is the living room, result of the merger of two living rooms. On one side adjoining the saloon we find the open kitchen with bar, and forward to the sea one of the bedrooms. On the other side of the living area there are two bedrooms. Two bathrooms and a laundry room complete this lovely sea side property. The building is equipped with elevators.

Two minutes walk away is the beach of Mesa del Mar, and on the way there is a bar. A little more adventurous is the way on foot to Playa de los Arenales (equal to "beach of sand dunes") below El Sauzal, a 2-km long fine sand beach.

An ideal holiday property in Tenerife for beach holidays with the family or guests!

Location & surrounding area:

Tacoronte is located in the north of Tenerife. On the northern highway it is well connected to Santa Cruz de Tenerife, La Laguna and the north airport, but also to the region around Puerto de la Cruz. The place is traditionally known for its fine wines, which grow well on the hills of the sunny village. Every Saturday and Sunday farmers' market takes place and shows the wide selection of fruits, vegetables and other products of this still predominantly agricultural community, whose vibrant city is arranged around a beautiful center at Plaza del Cristo.

Tacoronte has also - due to these advantages, further a stunning coastline with 300 m high cliffs and in many places a clear view to the Teide - sought-after locations of villas, chalets and apartments, for example, in the urbanization Jardín del Sol, or surrounding Mesa del Mar . Here, as in El Camello and El Pris, and there are beaches, and for friends of golf there is the traditional Real Club de Golf de Tenerife available, already established in 1932.

In the upper layers to Agua García, there are beautiful hiking trails in the mountains of Tenerife. A special feature is a significant stock of laurel forest.
