### Details:

In the beautiful, moonily village of Costa del Silencio, is this very neat two-bedroom apartment. The apartment is located directly on the sea front.

The apartment is very comfortable and includes two bedrooms with fitted wardrobes, fully equipped open plan kitchen, bathroom with shower, closet and living room with dining area. One bedroom has a terrace where you can enjoy not only a wonderful view of the ocean and the neighboring island of Gran Canaria, but sometimes observe the indescribable picture of swimming dolphins. At any time, you can walk along the coast and enjoy the fresh and healthy air of the Atlantic. During sunny and hot days you can cool off in the large common pool and sunbathe on loungers.

In 2007 were replaced all water pipes, power lines, floor, all windows and doors and the living space expanded. Aluminum shutters were installed on some windows and balcony doors as well.
