Details:

The “Mistic Café“ existing since 1996 has been completely refurbished and with 280-sqm it offers space for approx. 100 diners in the interior and for another 120 diners on the exterior terraces. The exterior area may additionally be extended.

In the high season, the glass façade of the complete restaurant may be opened in order to create a sought after and highly visible open-air restaurant at the best spot of Arenal. Every kind of food and drinks are served here and due to its central location in Arenal (balneario 2) it is already the in-restaurant. There are 3 separate deeds for this property; therefore, 3 different projects may be started. The yearly taxes amount to a total of 600 €. The property is the ideal restaurant but could also be a very lucrative investment, which could be rented out.
