Details:

This wonderful hotel-property is situated in the heart of Llucmajor, with its traditional Mallorcan character bestowing upon it a very special charm.

The hotel has 15 double rooms with en-suite bathrooms, all of which were renovated only a few years ago. One of the rooms is equipped and accessible for the disabled.

On the ground floor there is a beautiful restaurant, and all rooms are very bright, some with a balcony or terrace providing lovely views over the village.

Built at the start of the last century, the building was internally modernised and converted into an exceptionally comfortable and appealing hotel. The external facades, reflecting the style of that period, has retained its Mallorcan character and style.

Location & surrounding area:

In terms of surface area, Llucmajor is the largest municipal county on the island of Majorca and is located in the south. Its population amounts to 20,000 inhabitants.

The small city includes 4 supermarkets, some well loved cafés and tapa-bars, and even a thrice-weekly fruit and vegetable market, taking place in the very recently renovated town centre, with its Plaza de España and the second largest church on the island.

The picturesque hill-location of Randa on the mountain of the same name, which is the most elevated point in the island's centre, houses three sanctuaries, and is located slightly north of the town. Llucmajor has developed into an economic and popular residential location, due to the new motor-way connection to Palma. The Marriott Son Antem Golf Resort and Spa, and nearby yacht clubs make Llucmajor an interesting and central location for planning pass-times and excursions.

The Es Trenc natural beach, one of the nicest on the island and with a Caribbean similarity, lies just 15 car minutes from Llucmajor.
