### Details:

Housed on the first floor are 2 further bedrooms with bathrooms en suite, and the spacious master suite with a dressing area, a bathroom en suite, and a private terrace from where beautiful panoramic views of the surrounding landscape can be enjoyed.

In the exterior area absolute tranquillity can be experienced. The low-maintenance Mediterranean garden is laid out with plants, and has a convenient automatic irrigation system, with a large sun terrace with adjacent pool inviting to relax and cool off during the hotter summer months. Adjacent to this is a covered barbecue area with an inviting seating area, where the perfect shady spot can be found to enjoy summer days and evenings.

There is also a separate casita which can be used, for example, as a gym or guest house.

State-of-the-art technology throughout the house ensures the high levels of comfort, and air conditioning and underfloor heating with an air-source heat pump ensure pleasant temperatures all year round.

Further luxurious features include an alarm system, warm water by solar panels, and a Sonos sound system.
