Great attention was paid to the use of the highest-quality materials and technology, creating the highest level of comfort so that the whole of the property radiates a warm atmosphere. Only a few minutes away are the turquoise-blue bays and the lively town of Santanyi.

A grand driveway leads to the enchanting villa which impresses with its complete natural-stone facade. A lovely entrance area greets on the ground level, and this leads into the light-flooded, spacious living/dining area with its integrated designer-kitchen. Adjacent is a further room which could serve as an office or TV room, and a utility room. In the right wing are 2 bedrooms each with en-suite bathroom, a guest WC, and a storage room. All living areas have access to the terraces and the garden.

A staircase leads to the upper floor with a second pleasant living room with fireplace, 2 large master suites, each with dressing room, bathroom en suite, and private terrace from where wonderful panoramic views can be enjoyed.

The Mediterranean garden blends perfectly in with the natural surroundings, with its approx. 60 sqm infinity pool and summer terrace inviting to relax and enjoy the Mallorcan sunshine. Adjacent to this is the covered summer kitchen, offering welcome shade whilst cooking during the hotter summer days.

Further features of this very special finca include a double garage, alarm system, a renovated casita-cottage at the entrance of the land, a sound system, and air conditioning and underfloor heating throughout the house assuring pleasant temperatures throughout the year.
