Nestling in the hills of Son Vida, this property offers breathtaking panoramic views over Palma de Mallorca and the Mediterranean Sea. Son Vida is known for its great exclusivity and proximity to Palma city centre which is less than 10 minutes drive away. This location combines secluded luxury with excellent accessibility.

This planned project for a luxurious villa will meet the highest standards of quality with features including air conditioning, underfloor heating, a lift, a fitness room, a sauna and a wine bar. A garage will provide ample space for several vehicles, and natural stone floors will create an elegant ambience. The villa's design seamlessly blends ultra-modern design elements with the natural surroundings.

The plot has an area of 2,001 sqm, and the planned construction project foresees a constructed area of 1,070 sqm. It will be comprised of 3 bedrooms, including a luxurious master suite with sea views, its own sauna, and a large bathroom on the upper level, with 2 further double bedrooms with en-suite bathrooms and private terraces located on the ground floor. The openly-designed, spacious living/dining area is flooded with natural light and from the living room there is access to a large terrace.

A special highlight of this exclusive project is a spacious terrace with outdoor pool and jacuzzi, providing spectacular views of the sea which can be enjoyed to the full. Further outstanding features include a study with its own bathroom, a library and a spa.

This harmonious interplay of indoor and outdoor areas creates a unique living experience simultaneously offering both privacy and openness.
