An interesting feature is its touristic rental licence currently providing an excellent rate of occupancy. The authentic village of Ses Salines is only a few minutes away, with its pleasant restaurants, bars and turquoise-blue bays.

Newly-renovated and furnished with great attention having been paid to the finest details, the property now represents a real oasis of relaxation. Large panoramic windows flood the room with ample natural light and provide wonderful views over the garden, with the adjoining designer-kitchen fully-equipped to a very high standard with high-quality appliances. An absolute highlight is the covered exterior terrace which is accessed directly from the kitchen, with a barbecue zone clad in natural stone inviting to convivial evenings with family and friends. Also on this floor are 3 bedrooms, all with en-suite bathroom and direct access to the terrace and the garden.

On the upper level is an open gallery offering a tranquil retreat, and the master bedroom with bathroom en suite and access to a lovely terrace.

There is also a large roof terrace offering 360° panoramic views over the picturesque village of Ses Salines, the surrounding Mediterranean landscape, and the sea as far as Cabrera.

The exceptional finca is surrounded by a beautifully landscaped Mediterranean garden planted with indigenous plants and cacti - a real idyllic oasis, with the pool area impressing with a large sun terrace and diverse tranquil retreats. A further highlight is presented by a private olive grove.

Further features include air conditioning, underfloor heating, a private water source, and a carport.

Truly a luxurious, top-quality home in the midst of a picturesque natural landscape, inviting to relax and unwind although still impressing with its central location and good connections.

Location & surrounding area:

Ses Salines is one of the nicest and oldest villages at the southeast coast. The image of the village is characterised by cosy bars and restaurants, where Majorcans and tourists have their “café con leche” while enjoying the sun.

It is a typical Majorcan village that was named after its saline from the era of the Romans. Salt is reaped till this day. The “talaiots”, remains of a prehistoric settlement are also historically very interesting.

Many small bays as Cala Llombards or the dreamlike natural beach of Es Trenc is only a short drive away. You can also discover the beautiful flat landscape by bicycle.
