Details:

This well-maintained, south-facing villa is situated in a lovely urbanization on the sea and stands on a plot of 710 sqm.

Spread over 2 levels the living area of 284 sqm is distributed over, on the ground floor, a living area with semi-open kitchen and utility room, a bathroom and a spacious dining area with adjoining salon. On the upper floor there are 4 bedrooms with terrace access and 2 bathrooms.

In the outside area is a well-equipped summer kitchen with a large leisure room, an 8 x 4 metre pool and covered and open terraces.

The villa is fitted with high quality Climalit wooden windows and gas heating, and there is a garage integrated into the house.
