Details:

This wonderful, Mallorcan-style villa is situated in Es Capdella. With wooden ceiling beams, white walls and immaculate gardens this lovely home is located in a beautiful setting. It is entered via a large courtyard into the living area with open-plan lounge and kitchen and a staircase which leads up to the 2nd floor.

The lounge is on the right and has a large flat screen TV, a fireplace and large windows overlooking the pool. The kitchen is a lovely blend of traditional and modern and all new electrical appliances are awaiting delivery and installation. The kitchen has access to a separate apartment to the side of the building consisting of a utility room, a storage area, bathroom and bedroom.

The light-flooded dining area is fitted with large windows and double doors which overlook the rear garden, and is connected to the kitchen by a large hatch simplifying the serving of food.

Located on the ground floor is a large bedroom with a separate walk-in wardrobe and an en-suite bathroom and shower which is a true highlight. From here there is direct access to the well-maintained garden with pond and waterfall.

On the upper floor to the left of the staircase is a large room with terrace which could be used, for example, as a reading room, a separate bedroom which has an en-suite bathroom and a 14 sqm terrace. A 2nd bedroom also leads out to the large terrace which provides spectacular views. Located at the far end of the villa is a 2nd kitchen which has access to another lounge area with a big fireplace and generously-sized windows. All rooms are bright and have fitted cupboards and wardrobes, and the house has been newly renovated.

There is also an immaculate garden with a waterfall, a BBQ zone and a salt water pool. A carport is located behind the villa.

The rent includes garden and pool maintenance.
