This spectacular family home is located in a very quiet and exclusive area in the northwest of the island. Built in 2004 and with excellent properties.

The living area is divided into a spacious living room with a fireplace and large windows that lead to the porch and the pool, a dining area with a high ceiling and a perfectly equipped and furnished kitchen with a private terrace that is well connected to the outside areas.

In the middle of this great organization is an English terrace, which brings a lot of light into the rooms and gives the property a different touch.

We reach the first floor via a marble staircase.

Location & surrounding area:

Cala Mesquida is one of the most original and exclusive landscapes of the Majorcan coast which has been preserved until today. Here you still can find a marvellous sandy beach with crystal clear and turquoise water and the scenery shaped by dunes and pine trees - a really Mediterranean paradise in the northeast of the island.
