Upon entry a unique, solid-wood door opens into a hallway leading to the living room which overlooks a large, heated pool with a counter-current system. To the right is an office, a guest WC and Mallorcan-style stairs leading to the upper floor.

The living area with a fireplace-stove is very spacious and adjacent is the high-quality kitchen fully-equipped with sophisticated appliances. Floor-to-ceiling windows overlook the wonderful Mediterranean garden with its large covered terrace where time can be spent in the lounge corner or at the rustic dining table. Around the pool are further open terraces and a well-equipped outside kitchen.

A staircase leading to the upper level is finished in warm colours and impresses with its illumination and oriental flair. On this floor there are 3 double bedrooms and 2 bathrooms with walled showers. The main bedroom has an en-suite bathroom and natural-stone wardrobes with solid, structural-wood doors.

Further features of this very high-quality property include a garage with a cellar housing a warm water system and the pool technology, a storage room for bicycles, and a 40.000 litre cistern. Warm water is by means of solar panels.

Location & surrounding area:

Santanyi in the southeast of Mallorca is among the most popular villages of the island and has resisted over centuries Romans, Arabs and pirates. The beautiful small city with its golden façade of sandstone is elevated from the green surrounding and attracts tourists as well as residents on Wednesdays and Saturdays to the colourful weekly market. Around the Plaza Mayor, there are various cafés and restaurants offering a broad culinary selection. The surrounding narrow streets with beautiful shops invite you to stroll.

The natural preserve of Mondragó is nearby offering numerous routes for hikers, whereas the idyllic bays at the east coast, as Cala Santanyi or Cala Llombarts are perfect for bathing. The harbour of Portocolom and the golf course of Vall d'Or are at a short distance
