## Details:

This tranquil property is situated above the centre of the village of Galilea, is easily accessible, very private, and is surrounded by greenery, conifer trees and other native plants. The house stands on a plot of 1.966 sqm, and there is also a second plot of 552 sqm. It was built of stone in the 19th century and completely restored in 1999, and was modernized a short time ago using only good quality materials, taking care to preserve its rustic style and its surroundings.

The living space is spread over 2 levels. On the ground floor is the entrance, the kitchen, a large living room with dining area, the main bedroom and a bathroom. Stairs lead to the first floor with a second open, bright living area, 2 double bedrooms and a bathroom.

The exterior area offers great potential with ample space for a bbq zone and diverse garden areas including a vegetable garden. Well-placed terraces provide beautiful views and surround the house, and there is a garage with space for one vehicle which can be accessed from inside the house.

Further features include exposed wooden ceiling beams in all rooms, an open fireplace in the living room, oil-fired central heating throughout the house, mains power and water and a cistern for rainwater.

### Location & surrounding area:

Galilea is a little village with about 200 inhabitants at the foot of the Puig de Galatzó and is part of the municipality of Puigpunyent. The houses are built mainly around the church. Many foreign residents have chosen Galilea as second residence because of the tranquillity and the fresh pure mountain air.
