This tranquil property is situated above the centre of the village of Galilea, is easily accessible, very private, and surrounded by greenery, conifer trees and other native plants. The house stands on a plot of 1.966 sqm, and there is also a second plot of 552 sqm. It was built of stone in the 19th century and completely restored in 1999, and was modernized a short time ago using only good quality materials, taking care to preserve its rustic style and its surroundings.
