Details:

Historic finca property with panoramic views in Puntiró.

This beautiful old finca property, nestled in the tranquil hilly landscape of Puntiró just behind Palma, is a gem with various expansion and conversion possibilities for private or commercial projects, such as finca hotel, agroturismo or similar.

The entrance gate leads through a classic round arch into the lovingly designed, planted, and private courtyard, from which one has access to all adjacent building parts.

The property, in the style of a quadrangular courtyard, is divided into 2 separate residential units, opposite each other, ready for occupancy.

The side wing of the building is divided into a spacious workshop/storage area, from which one can access a separate backyard with outdoor kitchen, barbecue, wood-burning oven and old stables. On the other side extends a sensational barn area with mezzanine and exit to the garden plot.

The building, which dates back to the 19th century, holds 11 rooms in the converted living areas alone. Upstairs are 4 more unfinished rooms and an additional huge room which can be converted into even more usable / or living space.

The spacious roof terrace offers a fantastic view from the surrounding countryside to Palma.

The 40,000 sqm property has its own well and a variety of typical fruit trees such as citrus, fig, olive or almond, among others.
