Details:

This exclusive, newly-built finca is under construction on a plot of approx. 30.770 sqm, only a few km. from the popular natural beach of Es Trenc and using only the highest-quality materials. An harmonious interplay of modern and traditional elements is of the highest importance including a Mallorcan natural-stone facade and a modern interior design.

Its living space of 623 sqm is spread over only one level. A large entrance area leads into the openly-designed living/dining area with a cosy fireplace promising pleasant temperatures, and an adjoining kitchen. A patio with its Mediterranean plants causes the room to be flooded with natural light, and high ceilings bestow an airy atmosphere. Floor-to-ceiling windows create a flowing transition to the garden. There are also 5 spacious bedrooms with en-suite bathrooms as well as a separate bathroom, and a utility room and storage room.

The Mediterranean garden blends in perfectly with the surrounding landscape, and diverse terrace areas invite to relax. The pool provides a perfect place for cooling refreshment in the hotter summer months.

Further features include underfloor heating and a garage.
