Details:

This charming house with tower is situated in the urbanisation of Son Catlar d'Alt in sa Rapita.

Its living space is spread over 2 levels. Distributed over the ground floor is a large room with adjacent smaller room, ideal for use as an office, the kitchen with breakfast bar adjoining the living room with pre-equipment for a fireplace, and a hallway holding a guest bathroom with shower. Two wintergarden-style rooms used as dining room and lounge provide access to the garden.

The first floor is comprised of 3 bedrooms and 2 bathrooms, one of which is currently used as a storage room, and a laundry room with connections for a washing machine and a drier.

A roof terrace provides beautiful views of the sea

There is also a garage with an annex room which could be used as guest apartment.

Further features include oil-fired central heating and air conditioning in all rooms.

Although requiring some renovation the chalet exudes a very pleasant atmosphere which is supported by the lovingly laid out Mediterranean garden.
