Details:

Nestling in the Mediterranean landscape, this wonderful, natural-stone finca stands on a plot of approx. 17.200 sqm in S'Esinagar. Turquoise-blue bathing bays, the picturesque harbour of Portocolom, the Vall d'Or golf course, and the Rafa Nadal academy are all close by.

A beautifully laid out palm-lined driveway majestically leads to the house, where a large entrance area leads into the open living/dining area. Here a fireplace provides a special ambience and assures pleasant temperatures during the colder winter months. Adjacent is a fitted, fully-equipped family kitchen which accesses a covered terrace offering perfect shady places during summer. The combination of natural stone and wooden beams with modern elements creates a very pleasant interaction in the interior areas. Also on the ground floor are 2 double bedrooms, each with en-suite bathroom and fitted wardrobes, a utility room and a guest WC.

A spiral staircase leads to the upper level and the spacious master suite with dressing area, 2 bathrooms en suite, and a terrace providing wonderful views of the sea and the mountains await you. On this floor is also a further bedroom with en-suite bathroom.

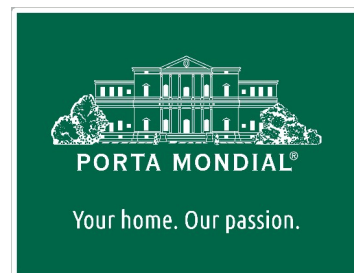

In the exterior area the garden was laid out paying great attention to detail, with Mediterranean, low-maintenance flowers and plants forming a real oasis. Large terraces offer enchanting views of the sea, and a separate bbq zone with chill-out area is ideal for convivial evenings with family and friends. There is also a heated pool.

Further features include oil-fired central heating and a carport.

Whether intended for use as a holiday home or as a permanent domicile, this exceptional property assures a permanent feeling of well-being.
