Details:

This high-quality villa is presently under construction in the tranquil, very desirable area of Costa d'en Blanes in the south-west of Mallorca with completion foreseen for the first quarter of 2024. It will combine modern architecture with traditional Mediterranean elements, offering luxurious comfort.

Its highlights include a large terrace with direct access to the pool so that the sunny Mallorcan weather can be enjoyed to the full, and the private garden landscape with automatic irrigation system providing additional space and privacy.

The total constructed area of approx. 480 sqm includes 4 bedrooms, each with en-suite bathroom, and a spacious living/dining area with an open, fully-equipped fitted kitchen with cooking island.

Equipment specifications include high-quality materials including natural-stone and parquet flooring, hot/cold air conditioning and underfloor heating promising pleasant temperatures throughout the year , and a garage providing space for up to vehicles for additional convenience.
