Details:

This beach house in need of renovation is located in a quiet area and only 100 m away from the beautiful beach Cala Llobards.

The photos differ slightly from the realistic condition.

On a total of 2 floors are distributed about 81 sqm construction area. On the first floor of the house are the two bedrooms and a bathroom. The cozy living and dining area with open kitchen is located on the upper floor of the unique chalet. The traditional fireplace provides pleasant temperatures even in winter and creates a special ambience. From the kitchen you can access the spacious BBQ terrace. From here you can enjoy a beautiful view of the greenery.

Thanks to the terraced property, you can use various chill-out outdoor areas. Depending on your preference, you can relax in the shade or soak up the sun. Under the charming outdoor shower you can enjoy a refreshment in summer. The small garden has been prepared with great attention to detail.

The property was fully legalized in 2016 and has all the necessary official documents. A vacation rental license is also available.

The chalet is connected to the city water. At the moment this object has no electricity connection. There is the possibility here to be connected to the public grid for about 50,000€ and / or to generate additional electricity with solar.

In 2 minutes you can walk to the beautiful Cala Llobards - so your beach day starts already at the front door.
