Details:

This enchanting, luxurious finca is under construction on a plot of approx. 15.200 sqm in a very desirable location, with unique sweeping views and close to the traditional village of Cas Concos. It offers a perfect combination of exclusivity, harmonious architecture, modern room design and the highest level of comfort. During construction only the highest-quality materials will be used, with natural elements including natural-stone facades and wood creating a pleasant ambience and supporting the traditional character.

Upon entry the impressive entrance area leads into a comfortable living/dining area with separate kitchen, all creating an inviting and convivial atmosphere. There are 3 double bedrooms, each with en-suite bathroom, and the living area and bedrooms all have direct access to a terrace. Tasteful, natural tones in the interior support the modern-Mediterranean elegance of the finca.

The exterior area invites to relax and enjoy, and contains the approx. 67 sqm pool which is connected to a small casita with a multifunction room and covered terrace. This presents the ideal place for a shady chill-out zone. The lovely Mediterranean garden presents an absolute atmosphere of well-being, with palms and olive trees adorning the land.

Further features include air conditioning and underfloor heating, assuring pleasant temperatures throughout the year.
