Details:

This exclusive terraced house is situated in a beautiful residential complex directly beside the sea in Son Veri Nou.

It was built in 1992 and renovated in 2020 in a modern Mediterranean style.

Its living space is distributed over 2 levels. On the ground floor is a fully-equipped kitchen, a bedroom, a utility room and the large living/dining area with access to a spacious terrace from where magnificent sea views over the Bay of Palma can be enjoyed.

Housed on the upper level, in addition to the master bedroom with dressing room and en-suite bathroom, are 2 further bedrooms with bathrooms en suite where every morning you awake to the soothing sounds of the sea.

The property has 2 underground parking spaces, and the lovely complex and communal pool can, of course, be enjoyed at any time.
