Details:

This house in Son Serra de Marina with sea views, is only a short distance from the beach, has a living area of 278 sqm and was completely restored and refurbished in 2022. It now captivates with its stylish elegance and high-quality fittings and features.

Its living space is distributed over 2 spacious double bedrooms, a guest WC, a shower-bathroom, an open living/dining area with electric storage heater, and a modern kitchen with access to a small terrace. On the lowest level there is also a large storage room.

A highlight is the roof terrace with external access which provides wonderful views over the sea and the surroundings, the perfect place to bring the day to an end whilst enjoying the Mediterranean climate to the full.

The house is equipped with underfloor heating and hot/cold air conditioning, so that pleasant temperatures are assured throughout the year.

Further features of this lovely house include a solar-energy system throughout, external cameras for supplementary security, and German windows with an outer coating to assure insulation against high temperatures during the hotter months. All water pipes and power cables were renewed, and speedy fibre-optic internet has been fitted.

Location & surrounding area:

At the southern end of the bay of Alcudia is the urbanisation of Son Serra de Marina, which is also especially popular for kite surfing with its natural beach. It offers both a good mix of apartments and townhouses along a very long shoreline and also in the upper part of the resort, there is a generous villa offering. Especially among the German-speaking customers, but also internationally, and for sports fans, one of the most prominent residents of the area, Willi Bogner, is a well-known household name.
