Details:

This fantastic finca stands on an approx. 16.000 sqm plot of land in a prime location near Portocolom and presents a comfortable retreat with great privacy. Due to its somewhat elevated position it enjoys breathtaking views of the sea and the green Mediterranean landscape. The charming harbour of Portocolom, the Vall d'or golf course, turquoise-blue bays, and exclusive restaurants and shops can all be reached within a few minutes.

Upon entering its Mallorcan charm is immediately recognised, with large windows offering wonderful sweeping views over the garden as far as the sea.

On the ground floor is the openly-designed living/dining area with panoramic windows and adjoining kitchen with access to an inviting terrace with seating possibilities. In the right wing of the house are 2 bedrooms, one with en-suite bedroom, and a guest WC. Also on this level is a large room with natural light currently used for storage, a utility room, and a further bathroom.

Stairs lead to the upper level with 2 further double bedrooms and 2 bathrooms, one of which is en suite. Both bedrooms have direct access to a covered terrace with breathtaking views.

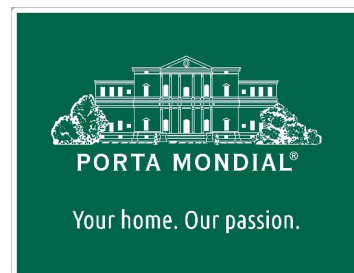

In the established garden the lovely tree population provides ample shady places, and a real oasis of well-being has been created by diverse terraces inviting to relax and enjoy. The beautiful exterior area also contains a large pool and a barbecue zone. Truly the perfect property to enjoy the authentic Mallorcan way of life!

An absolute highlight of this exceptional object is its existing touristic rental licence for up to 8 persons.

Further features include oil-fired central heating assuring pleasant temperatures even during the colder months, a private water source, and mains power.
