Details:

This very special property is situated in the village of Sencelles, and is offered for rent during the winter months.

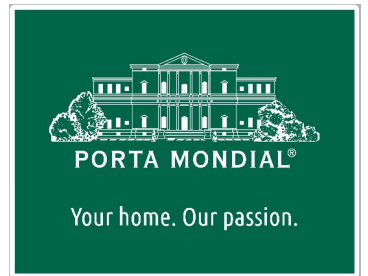

The very tastefully renovated house is part of a former mill, and its living space is spread over 2 levels. This is distributed over 4 spacious double bedrooms with 4 bathrooms, a fully-equipped kitchen including dishwasher, and a large living/dining area providing ample space and places to relax. The entire house is fitted with hot/cold air conditioning.

The external area of the house provides a real paradise and great privacy, including an extensive garden and large pool, ideal to enjoy the Mallorcan sunshine all year round. There is also a barbecue zone for alfresco cooking and dining. A covered terrace provides a shady place to relax, and in the garden there are diverse quiet corners where the tranquil surroundings can be enjoyed.

Further features include ample parking space on the plot, and there is a speedy internet connection and a washing machine and drier.
