In the external area the garden provides a Mediterranean landscape with old olive trees, majestic palm trees and flowering plants, the perfect place to relax and enjoy the heated pool, or to create your own kitchen garden. The large garden invites you to dream and linger - whether you are looking for a quiet haven under the pine trees or simply wish to enjoy the views of the surrounding mountains. For children there is a dedicated play area with trampoline and swings.

Separate from the main building is the 'La Casita' guest house, ideal for visitors or simply as a tranquil retreat, with its own terrace, kitchenette and bathroom.

Location & surrounding area:

Pollensa, known by insiders as the "second capital" of the island, emanates a very special, even princely charisma. At the northern foothills of the Tramuntana mountain range, this romantic town offers a mountain panorama around the mountain Puig de Maria, which is the hallmark of this region. A rich, especially musical cultural activity offering and unique top real estate records, such as along the Calvario (Calvary) in the centre, or the peaceful classy residential district of La Font on the mountainside, and a stunningly beautiful rural setting on the adjacent valleys Vall d' en March, Vall D' Colonya and Vall D' Aixartell give this spot an incomparable charm. There is many a gem on offer which, along with a modern infrastructure is ideal for the perfect vacation property. Also for lovers of the traditional Majorcan town house, Pollensa is just the place - there are lots of properties to discover which have either already been completely renovated, or still have enough space for extra development.
