Details:

This charming, partially natural-stone cladded country house is idyllically located in the countryside near Son Mesquida, and provides a romantic home for horse lovers and those seeking a tranquil and romantic retreat.

The old country farmhouse has been enlarged step by step and now has a living area of approx. 125 sqm. This is distributed over a single level with 3 double bedrooms with fitted wardrobes and 2 modernised bathrooms, and a spacious main living area combining the living and dining area, with a typical Mallorcan kitchen and an imposing fireplace for a cosy atmosphere in the cooler seasons of the year. Adjacent to the living area is a 70 sqm covered terrace with seating areas and a baking oven.

Next to the house there is also a sun terrace with ample space for several sun loungers adjoining the pool. The plot of almost 17,000 sqm offers meadows and pastures, a small pond, as well as orchards with lemon, orange, almond and cherry trees. There is also a tool shed, a separate workshop, and a brick-built stable.

The sunny plot is completely fenced with a gate, and a private well, solar panels and a wind energy- generator make the property completely independent from the public power supply.

This superb property presents an authentic country house for lovers of the authentic Mallorcan country life.
