Details:

Welcome to your own piece of heaven amidst the Mallorcan nature! This magnificent property is nestled idyllically and peacefully just outside the enchanting village of Alaró, surrounded by the typical vegetation of the Sierra de Tramuntana. Spanning approximately 13 hectares of gently rolling terrain, this estate offers stunning views of the mountains and the picturesque village of Alaró.

The property is equipped with its own legal deep well and connected to the public power grid, with an additional traditional water reservoir, known as a Safreig. An approved building project is waiting to become a reality: it plans to integrate the two existing stone buildings into a spacious residential home with 300 m² of living space, including a refreshing swimming pool.

The residence is perfectly designed for comfort and aesthetics, featuring an inviting entrance area, a spacious living and dining area, a modern kitchen, as well as two bedrooms with en-suite bathrooms and two additional bedrooms sharing a bathroom. Numerous terraces provide the ideal setting to enjoy the rural idyll and admire the magnificent views of the surrounding countryside on the edge of the Tramuntana. Here, surrounded by olive, almond, and carob trees, you can experience the true beauty and tranquility of Mallorca in all its splendor.
