### Details:

This modern, spacious villa is situated on a plot of approx. 1,120 sqm on the east coast of Mallorca. It impresses with breathtaking views of the sea, soothing ocean sounds, and great privacy. Close by are turquoise-blue bays, restaurants, and other amenities.

Its living space is distributed over an open living/dining area with floor-to-ceiling windows, a fully-equipped fitted kitchen, and 3 bedrooms with en-suite bathrooms and terrace access. One of the bedrooms is part of the guest apartment on the lowest level and has its own private access. All rooms provide wonderful views of the sea.

Only the highest-quality materials were used during the construction of the villa, which together with a bright and pleasing colour design create a very pleasant and inviting living atmosphere throughout the house.

The exterior area is characterised by a well-maintained garden, diverse terraces, and a wonderful infinity-pool which appears to join seamlessly with the sea. A fully-equipped outdoor kitchen leaves no wishes unfulfilled and can be closed by means of an electric shutter.

Further features of this exceptional property include underfloor heating, air conditioning, an electric gate, and double glazing. In addition the villa is connected to mains electricity and water.
