Details:

This enchanting villa, recently completely and lovingly renovated, is characterised by its unique and special location directly on the beautiful Cala Llombards bay and only a 2-minute walk from the sea. It stands on a sloping plot of approx. 7000 sqm, facing away from the prevailing wind, surrounded by wild olive trees. The villa has a valid touristic rental license for up to 9 people.

External stone steps access the entrance level of the villa with a pleasant living/dining area, the open kitchen, and a bathroom. Large glass frontages open directly on to the covered terrace, which provides the perfect shady place in summer, perfect for al fresco dining.

A staircase leads up to the bedroom level with a total of 4 double bedrooms and a further bathroom. All bedrooms have direct access to a large terrace.

On the top floor there is a further room which could, for example, be used as an office, with an adjoining roof terrace from where the wonderful views and sounds of the surrounding nature can be enjoyed.

In the cellar area there is a further light-flooded room, ideal for use as a fitness room or small spa area.

The terraced plot is perfect for creating diverse chill-out areas, surrounded by the Mediterranean-style garden with an established tree population providing ample natural shade. A real green oasis where complete privacy can be enjoyed. At the rear of the property a rocky crag provides an absolute highlight.

Further features include mains water and electricity connections, 3 outdoor parking spaces, with a traditional stove in the living area and fans in the bedrooms ensuring pleasant temperatures at all times of the year.

Truly a very special property, right on the beach and promising a relaxing Mediterranean way of life!
