Details:

This exceptional, 2-level finca is presently being built to the highest construction standards on a level plot, providing breathtaking views as far as San Salvador.

Only the highest-quality materials will be used, and its technical equipment will guarantee year-round, carefree living.

Distributed over the ground level is an open kitchen, fully-equipped with Miele electrical appliances, an adjoining dining area, a spacious living area with fireplace, a guest WC, and 2 bedrooms, each with en-suite bathroom.

On the upper floor is the very large master bedroom of approx. 40 sqm with bathroom en suite and dressing room, providing access to a large terrace with breathtaking views of San Salvador, the mountains and the beautiful natural surroundings.

The project also includes a barbecue house, a double garage, and a 35 sqm infinity pool with diverse relaxation areas inviting you to relax and enjoy the sun.

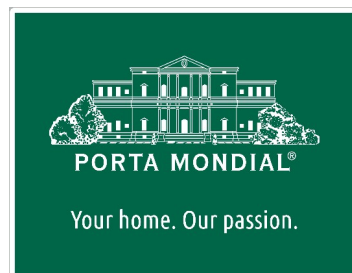

Further features include centralised air conditioning, underfloor heating, a private water source with connected water cistern and much more.

The finca is connected to mains electricity, and a solar power system can be installed on request at additional cost.

Please do not hesitate to contact at any time for further information. we and look forward to your inquiries.
