Details:

This exceptional designer-villa is situated in the very exclusive residential area of Son Vida, surrounded by prestigious villas, 3 elite golf courses, two 5-star hotels, and in the immediate vicinity of the island's capital of Palma.

The aim of the architects was to find a timeless and modern design, uncomplicated and straightforward and blending in perfectly with its surroundings. Mediterranean materials, such as the façade which is partly clad in natural-stone and wooden slats, create a pleasant and homely feel. The interior design is characterised by imitation natural-stone tiles which provide an interesting contrast to the modern architecture, featuring ample glass with the openly-designed layout creating a harmonious inside-out living concept. Covered terrace areas provide a wonderful, year-round living environment, with 2 pools offering the opportunity for a refreshing dip at all times.

A constructed living area of almost 352 sqm, plus a cellar area of approx. 203 sqm with underground parking, offers a total of 4 double bedrooms, 3 bathrooms, 2 guest WC's, a modern American kitchen, a bright living/dining area, a further lounge area, a separate bodega, a utility room and a multifunctional room which could be used, for example, as a fitness room, spa or home cinema.

The heart of the villa is the Italian designer kitchen from "Modulnova". With stained-wood frontages, the latest equipment, and a cooking island with snack bar and elegant work surfaces, it is located directly on the covered pool terrace and offers breathtaking views over the city of Palma.

Further exclusive features include underfloor heating, air conditioning, domotic home automation, exclusive oakwood parquet flooring, aluminum windows in minimalist design, bathroom fittings from GROHE, a private lift serving 3 levels, the outdoor kitchen with barbecue and an underground garage with 2 - 4 parking spaces.
