Details:

Located in the heart of Felanitx, this unique town-house gem has been lovingly restored down to the smallest detail. It is within convenient walking distance of surrounding shops and restaurants, with beautiful bays and the picturesque harbour of Portocolom only a few minutes away by car.

Its authentic charm impresses even from the outside, with access via an elegant entrance area with a classic piano. On the ground floor 3 traditional stone arches lead into the pleasant living/dining area with fireplace and adjoining, fully-equipped fitted kitchen, and guest WC. The interior of the house is a tasteful mix of traditional elements and modern stylish accents with natural-stone walls emphasising its Mallorcan character.

The 2nd level houses 2 double bedrooms each with a dressing area, both of which share a bathroom. A separate room, completely embellished with natural stone, would be ideal for use as an office, gym or studio, and there is also a practical utility room.

On the upper floor is a further living area, 2 double bedrooms with en-suite bathrooms, and a single bedroom.

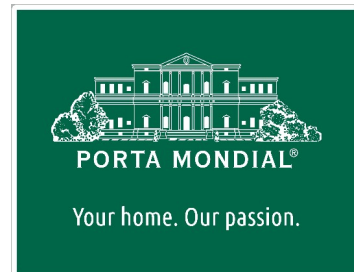

A further highlight is provided by the spacious roof terrace, offering wonderful panoramic views over the rooftops of Felanitx as far as the Tramuntana mountains.

The charming patio with a refreshing pool and an inviting seating area invites to relax and enjoy the Mallorcan sunshine, adorned with Mediterranean plants and a lemon tree providing typical Mediterranean flair!

Further features include central heating and an outdoor parking space.
