Details:

This imposing natural stone finca with its approx. 400 sqm of living space on a plot of approx. 50,000 sqm is situated on a hill, nestled in the beautiful vegetation of Mallorca.

The building is surrounded by a landscaped garden with plants, terraces and a pool area (salt water) covering 3,000 sqm, offering a variety of sun and shade spots. A further 1,000 square meters are planted with vegetables.

The building itself was completed in 2002 and extended in 2014 to meet the needs of its residents for more space and individuality.

The main house consists on different levels of a spacious living room with open fireplace, a fully equipped kitchen with wood-burning stove (laundry room in the basement) as well as different living/sleeping areas, each with en suite bathroom and exits to terraces or balconies.

A separate apartment on two levels, separated from the main house by a door, consists of an open-plan living room with a fully equipped kitchen, a bedroom and a bathroom. It also has an exit to the terrace.

The combination of luxury, modern technology and authenticity of the surroundings that this property brings together offers a fantastic place to live. A peaceful retreat in beautiful natural surroundings for family and friends and friends that makes you forget the rest of the world.
