Details:

This impressive estate for seasonal rental in Mallorca is set on a plot of approx. 25,000 m² in a peaceful, idyllic location near the traditional village of Cas Concos. Surrounded by the Mediterranean landscape, the property was completely renovated and modernised in 2022/2023 using high-quality materials and great attention to detail. The result is a home that perfectly combines style, comfort and Mediterranean charm.

A paved driveway leads comfortably to the estate. An electric gate opens to an elegant roundabout with ample parking. Inside, Mallorcan character blends harmoniously with modern elements. The ground floor features a cosy living area with fireplace and a fully equipped kitchen with dining area, also with a fireplace. There is a double bedroom with en-suite bathroom, a single bedroom and another bathroom that can be used as a guest WC. All rooms have access to the terrace or garden.

Upstairs you will find the master bedroom with fireplace, dressing area, en-suite bathroom and covered terrace. The tower room above offers stunning panoramic views over the countryside towards the San Salvador monastery – ideal as an office or peaceful retreat.

A separate guest apartment with private entrance, living room, kitchen, two bedrooms and two bathrooms ensures complete privacy. The beautifully landscaped garden with palm and olive trees surrounds the 13 × 6 m swimming pool and sunny terrace. Next to it, a casita (approx. 60 m²) provides additional living space with a living room, kitchen, bedroom and bathroom. Several terraces and a fully equipped summer kitchen offer idyllic outdoor areas to relax and enjoy.

The property is equipped with underfloor heating, connected to the public electricity supply, features a 40,000 l water cistern and automatic garden irrigation. A garage offers space for several vehicles.

An exceptional country estate for seasonal rental combining tranquillity, comfort and authentic Mallorcan flair.
