Details:

Just a few steps away from the sound of the waves, this lovingly renovated beach house opens its doors from Easter to October for anyone who wants to experience Mallorca at its best. Nestled in a lush Mediterranean garden, the chalet is located right next to the beautiful bays of Cala Mandia and Cala Anguila. Restaurants, a supermarket and the fine sandy beach are within easy walking distance - ideal for a relaxing vacation.

Situated on one level, the house offers approx. 100 m² of living space with three cozy bedrooms, two modern bathrooms (one en suite) and a spacious living/dining area with an open kitchen and fireplace. Large windows and light-colored materials create a harmonious, airy atmosphere.

Several terraces surround the house and provide sun or shade, depending on the time of day. The sparkling centerpiece of the outdoor area is the large saltwater pool with outdoor shower. At the end of the pool, a covered seating area with barbecue invites you to enjoy sociable evenings. A small roof terrace offers additional views over the garden.

The 580 m² outdoor area is a Mediterranean paradise: Palm trees, bougainvillea, oleander, olive trees, lavender and thyme exude colors and scents that turn every hour into a vacation moment. A charming garden shed serves as a practical laundry and storage room.

Comfort is provided by air conditioning (hot/cold), pellet/wood fireplace, fiber optic internet, satellite TV, modern kitchen, double glazing, automatic irrigation and video surveillance.

An idyllic retreat that captures the magic of summer - perfect for those who want to enjoy Mallorca to the full from Easter to October.
