Details:

Located in one of Mallorca's most sought-after countryside areas, just five minutes from Santanyí and Ses Salines, this exceptional property is being built on an 18,500 m² plot with a private driveway.

Combining contemporary design, Mediterranean charm and spacious single-level living, the finca features an impressive 65 m² open-plan living, dining and kitchen area with four-metre-high ceilings. Expansive windows create a seamless connection to the covered terraces and elegant chill-out areas. An outdoor kitchen with BBQ and generous dining spaces provide the perfect setting for entertaining family and friends. The 10-metre infinity pool is ideal for swimming and relaxation.

Three elegant bedroom suites with dressing rooms and en-suite bathrooms, together with a separate, fully equipped guest area, offer privacy and exceptional comfort. Large sliding glass doors connect the bedrooms directly to the terraces. A rooftop terrace of over 41 m², sauna, open fireplace, carport, utility room and outdoor shower complete this outstanding property.

The architecture also stands out for its sustainable construction: double-layer brick walls with comprehensive thermal insulation and modern energy-efficiency standards. High-quality finishes, carefully designed lighting and more than 22 linear metres of built-in wardrobes complete the concept.

Location & surrounding area:

Santanyí in the southeast of Mallorca is among the most popular villages of the island and has resisted over centuries Romans, Arabs and pirates. The beautiful small city with its golden façade of sandstone is elevated from the green surrounding and attracts tourists as well as residents on Wednesdays and Saturdays to the colourful weekly market. Around the Plaza Mayor, there are various cafés and restaurants offering a broad culinary selection. The surrounding narrow streets with beautiful shops invite you to stroll.

The natural preserve of Mondragó is nearby offering numerous routes for hikers, whereas the idyllic bays at the east coast, as Cala Santanyí or Cala Llombarts are perfect for bathing. The harbour of Portocolom and the golf course of Vall d'Or are at a short distance.
