Details:

Magnificent seafront property located on the second line of the sea with garden and sea view.

It is located on Menorca's south-east coast, in the seaside resort of Punta Prima, one of the island's most beautiful tourist beaches, with its translucent turquoise waters, fine sand and views of the protected Isla del Aire.

This small seaside resort also boasts a large number of restaurants, so you'll have plenty of choice for a truly relaxing vacation.

Serenity and tranquility are the first impressions when you settle into this large house.

It is currently part of a large plot of 2 separate, detached houses belonging to the same owner (see our reference MEN-100568 for sale), and the other, smaller house is also for sale separately. The 2 plots are registered with the Land Registry separately, and every effort will be made to review the privacy of the houses in the event of separate sales.

The property is set on a 947 sqm plot with a beautifully landscaped garden featuring typical island plantings and is very well maintained. Built in 1996, it has been renovated and redecorated and boasts 344 sqm of built area.

This home is perfect for year-round living, or for vacations with family or friends, thanks to its proximity to the beach, shops and numerous restaurants.

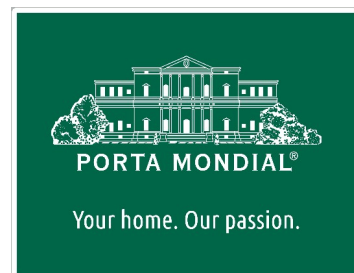

The house offers all the comforts you'd expect from a high-end property, both in terms of equipment and furnishings.

The house boasts two living rooms, a dining room, an office, a fully equipped kitchen, 4 bedrooms and 3 bathrooms, 2 garages and several terraces and living areas.

A great opportunity and a haven of peace that we invite you to come and discover with us, in person or by video, with visits by appointment.
