## Details:

The house is located in Vilafior, one of the highest villages in Spain, and has 4 apartments (one 2-bedroom and 3 separate 1-bedroom apartments) and an astronomical observatory in a small separate purpose-built building with an 8 m drop-down roof.

On the ground floor, there is the largest 2 bedroom apartment with an open plan kitchen, a living area, 2 bathrooms and a terrace overlooking the forest.

On the same floor there is also a second apartment with a bedroom and a bathroom with separate entrance. This second apartment on the ground floor does not have its own kitchen.

On the first floor there are 2 more one bedroom apartments with separate entrances, with kitchen, living room and bathroom. Both with private terrace and views to the forest.

The property has 2 garages, solar panels, gas installation and an underground water tank with 45.000 l irrigation water.

The house was completely renovated in 1983. It is located in a natural environment and allows you to enjoy absolute tranquility.

La Martela is an ideal place to enjoy nature and tranquility, a refuge for the soul.
