Location & surrounding area:

Vilaflor is a picturesque municipality in the southern part of Tenerife, located at an altitude of approximately 1,400 m above sea level. The village is nestled within the stunning volcanic landscape of Teide National Park and offers breathtaking views of the imposing Mount Teide and the surrounding mountains. Vilaflor is characterized by its charming, rural atmosphere, with traditional Canarian houses, narrow streets, and a peaceful, natural environment. Its location makes it an ideal spot for nature lovers and hikers who wish to explore the numerous trails in the area. Additionally, due to its elevation, the climate here is pleasantly cooler compared to coastal regions, making it especially attractive during the summer months.
