Details:

Spectacular corner townhouse with a private entrance and a huge garden-terrace

We are pleased to present this unique gem on the market in Palm-Mar, Arona, in southern Tenerife. Unlike the rest of the complex, this townhouse features a separate, direct entrance from the street, ensuring complete privacy.

The heart of the property is its spectacular wrap-around terrace, which surrounds virtually the entire home. This spacious outdoor area offers numerous possibilities for personalization, such as installing a hot tub, creating a private Balinese-style garden, or adding a small storage shed. Currently, the terrace features a stone barbecue and a sunbathing area with lounge chairs.

The interior is laid out over 2 floors. The ground floor features a bright living room with access to the terrace, a brand-new open-concept kitchen, and a guest restroom.

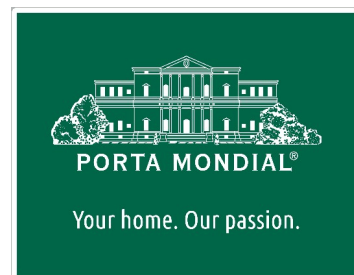

On the upper level, there are 2 double bedrooms with built-in closets and a full bathroom with a shower, toilet, bidet, and sink.

The home is being sold partially furnished and includes an underground parking space, a storage room, and access to a beautiful, cozy, and well-maintained community pool.

Please don't hesitate to contact us today for more information or to schedule a tour.
